Big Idea

God could have wiped everything out, and he nearly does! But in the flood, he chooses to restart the earth with Noah, his family and two of every kind of animal.

Big Question

Have you ever had a toy that stopped doing what it was supposed to do? Like a Nerf blaster that stopped blasting or an X-Box that stopped working? What did you do with it?

SOAP

Scripture

Use your Bible to read Genesis 6:9-22

Observation

1. God saw that the earth was completely ruined, that human sin had damaged everything. He also saw that Noah walked closely with him. What do you think this means? Do you think it meant that Noah was perfect?

2. As God floods the earth, he also makes a promise to Noah and his family. How does Noah respond to this promise?

Application

God makes a promise to Noah before the flood. Have a look at what God promises to Noah and all people after the flood. Read Genesis 9:9, 11, 17. What does God promise to everyone?

Jesus walked closely with God, and he chose to die instead of us so that everyone can have new life. Have you thanked Jesus for his sacrifice so that we can have new life?

Prayer

Spend some time praying together.
