COVID-Safe Plan for Ignite

Dear Parent/Guardian,

This Friday night Ignite returns after a long break! We can't wait to see you and the children all back together again.

A few things will be a bit different at Ignite. This is so that we can make sure that it remains a safe place and we do not put anyone at risk of contracting COVID-19.

Please note the following measures:

1. Ignite is implementing the **COVID-Safe industry plan for places of worship**, which is different and **more restrictive** than the restrictions which apply in school settings
2. We ask that you **please do not send your child to Ignite if they are sick** or exhibiting the symptoms of COVID-19
3. **Sign-in and sign-out will be outdoors** on the lawn adjacent to the auditorium foyer (leaders will sign in the children when you bring them over to the table and they will ask you if your children have been in contact with someone with COVID-19)
4. We will ask all children to use **sanitizer at sign-in** and during the night and as they leave
5. We expect and will instruct all children to **use appropriate hygiene practices** such as washing hands and coughing into their elbow
6. We require that all children and leaders practise **social distancing of 1.5m at all times** (we will factor this into our program)
7. You are required to **contact Rivers Baptist Church if you or your child has COVID-19** or is suspected of having it

If you would like to view our Ignite COVID-Safe plan or have any questions, please get in contact.

Thank you,

Joshua Zerner
Ignite Coordinator
