Sunday 15th November: God Comes to Mary

Big Group Story

Big Question: What is the best promise anyone has made to you?

Big Idea: Mary showed faith by believing the Angel and God. She was excited because she was going to be a part of God's plan. We can be too!

Ideas to tell the story:

1. Start with the Big Question. Get the children to talk to a friend about the best promise they have heard or made themselves. Then ask a few of the children to share.
2. Ask the children what is coming up soon. You should get a variety of responses – hopefully one of them Christmas!! Talk about how although lots of us know the Christmas story pretty well – it's always good to remember what happened at Christmas each year.

Video: Watch the video of an angel coming to visit Mary [here](#).

Small Group S.O.A.P.

Scripture: Read Luke 1:26-38 in your Bibles

Observation:

1. List all the things that the angel told Mary would happen to her and her son. Then think about Mary's response. What would you have done?
2. Mary showed a massive amount of faith by accepting what the angel said was true. Even though it wasn't easy for her, she had faith in God and trusted him. What is something you need to trust God with?

Application: Start a Christmas art project (maybe a banner) to display. How can you demonstrate Mary's faith in your decorations?

Prayer: Pray about how you can be part of God's big story this Christmas!
